

Dear Friends,

I (Walt) am finding myself with many opportunities to both share the gospel of Jesus Christ with folks and preach in local churches. I will be preaching this Sunday, (tomorrow) at our home church located in Bolton Massachusetts starting at 9:30 am. <http://www.trinitybolton.org/> I would really appreciate your prayers for me as I share, that I would have clarity of mind and boldness to preach. Thank you for standing with me in this.

Jane and I have been very busy settling into our home here in Massachusetts. Local friends and churches have poured out their blessings of gifts upon us and we thank God for His encouragement to us as we wait on Him to know where He would like us to serve next. Our four boys are all doing well; Micah is in Japan still with the US Navy, he is studying and working as a Corpsman. (Medic). Caleb is living in St.Petersburg Florida and is studying medicine. Jacob just started bible college in Jackson Michigan, and Simon is now a high school junior here in Massachusetts living with us.

Please pray for Jacob at bible college. He is finding it hard trying to make ends meet and is needing to find work.

Acts 13:47

For this is what the Lord has commanded us: " 'I have made you a light for the Gentiles, that you may bring salvation to the ends of the earth.'
